

POLE COVERS

Spartan Model Fully Assembled #0100

The Spartan Model most closely resembles decorative metallic light and sign poles. A fully assembled Spartan consists of 16 HDPE plastic pieces and 10 rubber shims.

Item: Spartan #0100 (#0101-#0106)

Material: TriFlex 23TL Black (retro) HDPE Plastic

Color: Black (Multiple Colors Available)

Center Aperture: 3" Round, 3 1/8" U-Channel

Set Screw: Optional. Use 5/16" 18-8 Stainless Steel flat head sheet metal screws

Retroreflectivity: Available in Multiple Colors

Maximum Assembled Height: 90"

Maximum Assembled Width: 18" (base)

Pole Type: Round, Square, U-Channel

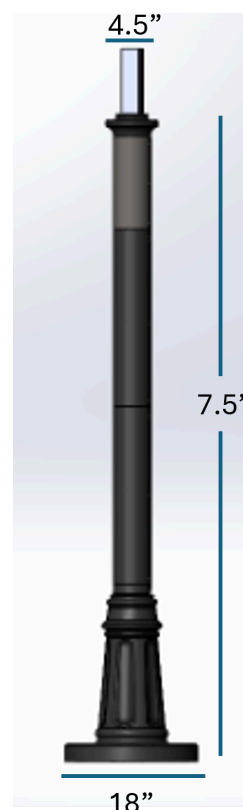

Weight: 12lbs

Thickness: .125" (circular base is .2")

Temperature Rating: -50° F (-46° C) to 180° F (82° C)

Product Features:

1. Product snaps around the pole to itself and does not need to attach to the ground.
2. All pieces are UV stabilized.
3. All pieces have a set screw hole for additional security.
4. Disassemble pieces with a flathead screwdriver.
5. The base can accommodate a 12" square mounting bracket and a 9" triangular mountain bracket.
6. A retroreflective flake can be added for night visibility.
7. Pole Covers fit a minimum pole size of 1" diameter/square.
8. Parts are customizable depending on the application.
9. All pieces are designed with a 4-tine vertical button snap/receiving hole.
10. Impact and shatter resistant.
11. Space inside to run wires and place other instrumentation.
